Mangaung Netball Teams Shine on the National Stage

SILVER U23 A Men | **BRONZE** Senior A Men | **4TH** Senior B Men

It was a proud moment for Interstate Bus Lines (IBL) and the Mangaung Metro Netball Association when three teams representing Mangaung delivered impressive performances at the 2026 Netball South Africa Men's Championships, held at Nelson Mandela University in Gqeberha from 4 to 9 October 2026. The Mangaung Metro U23 A Men's team secured silver, while the Senior A Men's team earned bronze. The Senior B Men's team also delivered a strong performance, finishing fourth in its division. Beyond the team results, players from the IBL Mangaung Netball League received two individual honours: Katleho Rotobane, Most Valued Player U23 A and Blessing Phiri, Best Midcourt Player of the tournament U23 A. The two players and Tebogo Moloi were also selected for the South African Men's U23 National Squad. IBL's involvement in the Mangaung Metro Netball Association forms part of its commitment to supporting sporting development and creating opportunities for young people in the communities it serves. Through the league, players gain organised competition experience while developing teamwork, discipline and confidence. The results achieved at the national championships demonstrate the value of continued investment in local sporting programmes. IBL congratulates the teams, coaches, officials and players who represented Mangaung with pride. Ya Rona!

IBL Chairman

From the Chairman's Desk

A year of resilience and a future of sustainability.

As we close the final chapter on 2026, I take this opportunity to reflect on a year that tested the absolute resolve, structural stability, and legal fortitude of Interstate Bus Lines (IBL). For over five decades, our mission has been to keep the communities of Bloemfontein, Botshabelo, Thaba 'Nchu, Soutpan in the main and other surrounding areas moving. This past year, however, that movement was maintained against a backdrop of unprecedented friction, marked by a series of defining court battles that threatened our operations and legal framework.

To our valued passengers (Bapalami ba rona ba hlomphehang), dedicated employees (Our Champions of Service), ethical government partners, and community stakeholders: I am proud to report that IBL has emerged from these storms legally vindicated and operationally intact. Through the unwavering diligence of our legal and executive teams, the company managed to win major legal challenges and strategically settle key disputes out of court. These victories were not merely wins for our corporate structure; they were victories for the thousands of daily commuters who rely on our fleet to access jobs, education, and economic opportunities. By successfully navigating these legal hurdles, we protected the stability of our operations and avoided catastrophic disruptions to the local economy that is already at its weakest.

As we honour our valued Stakeholders, our resilience this year belongs directly to you:

- To Our Commuters: Thank you for your continued loyalty and patience during periods of operational uncertainty. Your trust is our greatest asset.
- To Our Staff: From our workshop teams to our drivers and administrative personnel, your commitment kept our wheels turning when pressure was at its highest.
- To Our Shareholders & Board Leadership: Your steady governance and alignment with our transformation values ensured we remained anchored.

Charting a New Path for Public Transport

Defending our current position is only half the battle. The true measure of our success lies in how we secure the future. The existing economic climate, characterised by fluctuating fuel prices and rising operational costs, demands that we evolve beyond legacy frameworks. In the upcoming new year, Interstate Bus Lines will officially enter into formal negotiations with all key regulatory authorities. Our primary objective is to actively explore and prepare for renewed contractual arrangements. The focus of these negotiations will be entirely centered on ensuring a legally aligned modern, subsidised framework designed to achieve sustainable public transportation.

We intend to maintain sustainable transport solutions, optimise route efficiencies between our major economic hubs, and upgrade commuter offerings. We want to ensure that our operations remain financially viable while remaining affordable to the public.

We look forward to entering the new-year with a bit cleaner slates despite one or two legal battles that are still in progress, reinforced legal and regulatory parameters, and a profound sense of optimism.

May I take this opportunity, on behalf of the Board of Directors and Management team and our employee community, to wish you all the most joyous, blessed upcoming festive season, a Merry Christmas in advance and prosperous new-year. As we enter the holiday season may I urge all those who will be travelling locally and to various destinations to adhere to safe driving behaviour and ensure that all road users arrive alive.

Ke a leboga, Thank You, Happy festive season to all.

George Mokgothu,
Chairman of the Board

Improving Passenger Services

CENTRAL PARK TICKETING OFFICE | OPENED 31 OCTOBER 2026

A New Chapter for Passenger Ticketing at Central Park

Interstate Bus Lines introduced a new ticketing office at Central Park in Bloemfontein, marking another development in its efforts to improve passenger services.

The office officially opened on Saturday, 31 October 2026, a day earlier than originally announced.

Central Park plays an important role in IBL's transport network. For regular commuters, convenient access to ticketing services is an essential part of preparing for daily journeys.

The new office provides a dedicated space where passengers can attend to ticketing requirements and forms part of IBL's wider focus on improving operational facilities.

Passengers are encouraged to familiarise themselves with the facility and the services available. The office is still located on the first floor of Central Park. Operating hours and services offered are still the same.

New Ticketing Technology in Thaba Nchu

Iinterstate Bus Lines is introducing a pilot project involving new ticketing technology. The project allows the company to assess how the equipment performs in everyday operating conditions before deciding whether it is suitable for wider implementation.

Ticketing systems must support passenger needs while fitting into the company's operational processes. Testing the equipment on a limited basis provides an opportunity to identify challenges and make adjustments.

The pilot is running in Thaba Nchu Northern and Southern Trusts only. We wish the team that is working on the project all the best and hope that in the future the system will roll out to the entire operational area.

COMMUNITY INVESTMENT

COMMUNITY / SOCIAL INVESTMENT

MAKING A DIFFERENCE STARTS WITH BEING VISIBLE

IBL Supports KIDZ CARE TRUST Community Work

Making a difference starts with being visible. Interstate Bus Lines (IBL) continues to demonstrate its commitment to community development through its support of KIDZ CARE TRUST, an organisation dedicated to reaching and supporting vulnerable children living and working on the streets. As part of its contribution, IBL assisted the Trust with a new set of branding to strengthen its identity and visibility during community outreach initiatives. The refreshed branding will help the organisation establish a more recognisable presence as it takes its message of hope, care and transformation directly into communities. Although KIDZ CARE TRUST currently does not have a drop-in centre, this has not stopped its efforts to reach children where they are, reminding them that they matter and that hope for a better future remains possible. Through initiatives such as this, IBL recognises the importance of supporting organisations that make a meaningful difference in the lives of vulnerable members of our communities.

COMMUNITY INVESTMENT

Making A Difference Beyond The Bus Routes

For Interstate Bus Lines, serving the community involves more than transporting passengers. As an operator connected to Mangaung, Botshabelo, Thaba Nchu and surrounding areas, IBL recognises the importance of contributing to local wellbeing and development. Throughout 2026, the company supported initiatives involving education, road safety, sport and assistance to organisations serving vulnerable members of society. Below are some of the projects that we were able to assist.

UNIVERSITY OF THE FREE STATE – NO STUDENT HUNGRY CAMPAIGN
Supporting food security by helping provide nutritious meals to financially disadvantaged students.

SCHOOLS ROAD SAFETY CAMPAIGN
Educating primary school learners on road safety to promote safer behaviour and save lives.

REBUILDING WOODBRIDGE
Contributing towards road repairs in our operational areas to improve accessibility and benefit local communities.

WOMEN'S RUGBY DEVELOPMENT
Supporting Free State women's rugby through player transportation and hydration, promoting participation and talent development.

MANDELA DAY
Supporting community projects, orphanages and youth organisations through meaningful acts of service and giving.

EDUCATION AND CAREER DEVELOPMENT
Exposing learners to career opportunities through Head Office visits and providing transport to career exhibitions.

MONYETLA BURSARY PROJECT
Providing longstanding transport sponsorship to support learners, celebrate matric excellence and enable access to higher education.

PRIVATE HIRE

TRAVELLING TOGETHER? LET IBL TAKE YOU THERE

Organising group transport can be one of the more challenging parts of planning an outing.

Whether arranging a school excursion, transporting a sports team or coordinating a community event, getting everyone to the same destination requires careful planning.

Interstate Bus Lines offers private hire services for groups requiring organised bus transport, including schools, sporting organisations, churches, businesses, community groups and families.

Travelling together can simplify arrangements by reducing the need to coordinate several vehicles and helping organisers focus on the purpose of their trip.

PH09

One recent addition to IBL's private hire fleet is PH09, a 36-seater bus suited to smaller group bookings.

It offers an option for groups that do not require a larger bus, such as a team travelling with coaches or a school group attending an educational event.

Groups requesting a quotation should provide their proposed travel date, destination, number of passengers and any special arrangements.

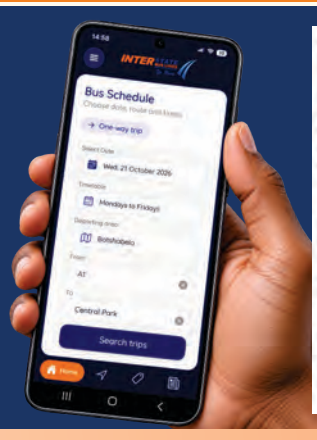

Private Hire enquiries: Call Rammie — 051 408 7048, Lephaila 051 408 7279 or email ph@interstate.co.za.

IBL Spring Race Brings Runners and Communities Together

SPORT NEWS

21.1 KM HALF MARATHON

POST-RUN VIBES

PRIZE GIVING

Runners, supporters and sporting enthusiasts gathered in Bloemfontein on Saturday, 22 August 2026, for the IBL Spring Race at the Bloemfontein Achilles Running Club House.

The event offered three distances: a 21.1 km Half Marathon, a 10 km race and a 5 km Fun Run. These options accommodated competitive athletes, recreational runners and community members looking to participate at their own pace.

While finishing times and personal bests mattered to many participants, the occasion also celebrated perseverance, healthy living and the shared enjoyment of physical activity. Families, clubs, volunteers and supporters contributed to the atmosphere.

MTN sponsored the R3,000 incentive awarded to the ASA-registered running club with the highest number of entries, as well as a smartphone lucky draw for one lucky participant. Blue Ribbon further added to the excitement with goodies and giveaways, contributing to the vibrant race-day atmosphere.

The Spring Race forms part of IBL's broader involvement in community sport, encouraging active lifestyles and strengthening relationships between local sporting organisations and the people they serve.

IBL thanks the runners, sponsors, officials, volunteers and supporters who contributed to the event.

Developing Future Football Stars Through the IBL Soccer League

MOTLALA FC | 2026 UNDER-19 CHAMPIONS

SAFA MANGAUNG REFEREES

Motlala FC from Thaba Nchu emerged victorious, claiming the 2026 IBL Soccer League Under-19 title following an exciting finals day at the Mangaung Outdoor Centre.

Congratulations to the players and coaching team on this remarkable achievement. IBL also applauds all participating teams, officials and supporters who contributed to a successful tournament.

A significant highlight of the 2026 Senior Champs of Champs was IBL's first-ever provision of referees' kits to the association.

This initiative reinforces the company's commitment to maintaining high standards of professionalism, ensuring that even though the league focuses on development, the quality and presentation of the competition remain a priority.

Through initiatives such as the IBL Soccer League, Interstate Bus Lines continues to invest in youth development, nurture local sporting talent and create opportunities for young people to grow through sport. Beyond competition, the league promotes teamwork, discipline and community unity.
